<p><b>Active Future</b> Kings Hill Community Centre 70 Gibson Drive Kings Hill West Malling ME19 4LG</p> <p><b>10am – 2pm</b></p> <p><b>5 – 8 August</b> <b>12 – 15 August</b> <b>19 – 22 August</b> <b>26 – 29 August</b></p>	<p>The programme will offer activities such as dodgeball, futsal, NERF, basketball, kids bounce &amp; bump, kids archery, alongside other motor skill-based games such as tag ruby games such as under overs, side to sides, nest ball. We will have quieter activities such as arts &amp; crafts, hand painting, collage making, with varying board games such as Junior scrabble, word search books, colouring books, Lego, all designed to stimulate brain function, understanding of words and language as well as encourage creativity (Lego building, hand painting). Part of the week will also involve the children engaging in producing their own songs so thinking of a song concept, coming up with lyrics, creating background noises, signing or saying lyrics which then creates their very own song. Alongside this will be the IT related sessions based around creation of own app. We also have a good-sized local park a short walk away, allowing for inclusive group games to be played or alternatively games such as hide and seek, can take place, as well as things like identifying types of tree, birds or animals in the park area. Our programme will offer physical activity, creativity opportunity, different activities such as the songwriting, IT education...which are outside of the norm and gives children the opportunity to experience something they might not otherwise get involved in. We will also spend designated time discussing with the children the benefits of healthy eating, exploring with them the differing types of healthy foods- which will be backed up by us continuing to provide healthy snacks during the four days- we had a selection of fruit, nuts, plus water available all day. In summary a programme that offers a wide variety of activities that include non-traditional offerings alongside other enriching end empowering activities such as the IT related sessions and the songwriting activities. The programme encourages fun and laughter as well as subconsciously developing</p>	<p>Mike Dyson</p> <p>07434 793372</p> <p><a href="mailto:afmaidstone@activefuture.info">afmaidstone@activefuture.info</a></p> <p><a href="http://www.activefuture.info">www.activefuture.info</a> (main franchise website)</p>	<p>4 – 11 years</p>
